CHAIR TA

TA – available as Chair, Armchair and Bar stool – is the elegant answer to the demand for ergonomics and aesthetics. The design is inspired by the style of the 1950s and, with its purist execution, reflects the spirit of the times. The seat shell made of glass-fibre-reinforced polypropylene is available in black, white, red or yellow. The frame is made of chrome-plated steel or black powder-coated steel. Alternatively, the frame is available in oak wood, natural lacquered, or oak wood, black stained and lacquered.

- Glass fibre reinforced polypropylene
