CHAIR PIKA

The model Pika with and without armrests convinces with a contemporary and stylish design. The modern shape with a frame made of beech wood, stained in oak or walnut, lends a pleasant and hamonious ambience to any room. The model is comfortable and, with its functional, ergonomic shape, has many uses in the health & care sector. The model is stackable and can optionally be equipped with castors. The upholstered seat cover, which is particularly appropriate for the health & care sector, is available in various flame-retardant and easy-care materials, such as Parotega, Paratexa, Marou, Addison and Sheldon.
