# CHAIR MARCO

The stackable Marco model brings Parisian brasserie flair at first glance – with its distinctive shape and harmonious colour scheme, it immediately makes a statement as a true café centrepiece in contract settings. Designed for professional use, it impresses with excellent value for money and materials that perform reliably both indoors and outdoors: aluminium in a rattan look meets hand-woven nylon wickerwork. The weave does not absorb moisture, dries quickly and remains pleasantly easy to maintain. UV-resistant, weatherproof components ensure that Marco continues to look great over time, even in sunshine, rain and high-traffic environments. Whether as a chair with or without armrests, a bar stool, a 2-seater bench at dining-table height, an armchair or a 2-seater module at lounge height – Marco adapts flexibly to your concept. And because all versions are stackable, handling remains just as effortless as the look.

- Elaborately hand-woven seat and back
- quick-drying material
- Very robust
