

ARM CHAIR **TEJA**

The gastronomy chair Teja was specially developed for professional use outdoors. The frame made of powder-coated aluminium is robust, corrosion-resistant and at the same time easy to handle. The high-quality synthetic weave is very low-maintenance, quick-drying and provides comfortable seating even under heavy use. The chair is weatherproof and UV-resistant, so colours and material remain stable even with continuous outdoor use. The armrests with real teak wood caps provide a warm, pleasant feel and a high-quality look. In addition, the chair is stackable and thus space-saving to store – ideal for gastronomy, hospitality and contract furnishings.

- weatherproof, UV-resistant powder-coated aluminium frame for long-lasting professional use.
- low-maintenance, quick-drying synthetic weave and stackable for efficient handling.
- armrests with real teak wood for warm comfort and a premium appearance.
