GO IN

ARM CHAIR BRIGO

A real GO IN design masterpiece! The innovative weaving of the seat and back with wide straps give the stackable Brigo bar stoolbar its special charm. The frame is made of powder-coated aluminium, while the straps are made of polypropylene. Particularly practical: the chair has a light weight and offers a high level of seating comfort. Thanks to its stackability of up to eight chairs, it can be stored quickly and easily to save space. Ideal for outdoor catering. The wicker chair is available in a wide range of colours. A seat cushion measuring 40 x 40 cm can be added as an option.
