

## INTERMEDIATE ELEMENT 60 CM JANINA

---

Consisting of a 60's element, a 120's element and an inner corner (70 x 70cm), the bench system Janina is versatile. The elements can be easily linked together. There is a freestanding version and a wall version with stretch fabric on the back; the backrest is available as a high or low version. The frame is optionally available with walnut wood feet or a black plinth panel. Janina is part of the fabric collection and therefore available in numerous color and fabric variations.
