# CHAIR MILY

The model Mily with and without armrests is timeless and modern. The classic design with visible struts in the back and a frame made of beech wood, stained in the colour oak or walnut, lends a pleasant feel-good atmosphere to any room. The model is comfortable and, with its functional, ergonomic shape, has many uses in the health & care sector. Optionally, the model can be equipped with castors on the front leg and/or a handle in the backrest, so that the seated person can easily be moved to the table from behind. The upholstered seat cover, which is particularly appropriate for the health & care sector, is available in various flame-retardant and easy-care materials, such as Parotega, Paratexa, Marou, Addison and Sheldon.
