

CHAIR VALENTIN

Valentin is a classic beer garden chair made of untreated teak wood and robust steel. The black coating with silver color accents creates a distinctive wrought-iron look and makes the frame a real eye-catcher. Thanks to its foldable construction, Valentin can be stored in a space-saving way and used flexibly. The chair is optionally available with teak wood armrest pads and can be ideally combined with the matching ValentinT table. In addition to the classic chair, a 2-seater bench with or without armrests as well as a 3-seater bench are available. This makes Valentin a versatile solution for stylish and inviting seating groups – from compact balconies to spacious gardens or beer garden settings.
