

ARMCHAIR DINING TABLE HEIGHT TUYA

The cambered surfaces on the backrest, armrests and seats give TUYA its special character. This makes TUYA an eye-catcher in any ambience. The fine workmanship of the upholstery, which testifies to a high level of skill, also rounds off the high-quality overall picture in detail. The black powder-coated steel feet are very robust and stable. Due to the high-quality moulded foam, TUYA has good ergonomics. TUYA is available as an armchair, a 2-seater and a 3-seater. All three versions are offered with a low back; in addition, only the 3-seater is offered with a high back. Its high back creates a discreet atmosphere for guests and at the same time serves to reduce sound, creating a pleasant feeling of space for a longer stay.
