# ARMCHAIR TITO

The stackable chair Tito - available with or without armrests - is easy to maintain thanks to the combination of a powder-coated aluminium frame and wood effect polystyrene for the seat, back and armrests. It comes in two colours: a silver frame with a teak-wood look and an anthracite-coloured frame with dark-brown battens. There are also tables available to match the chairs, which are suitable for both indoor and outdoor use.

- Light and stable
- Suitable product family
- stackable
