

## ARMCHAIR **PIKA**

The Pika model, with and without armrests, impresses with a contemporary and stylish design. The Armchair, with its embracing fully upholstered armrests, offers exceptional seating comfort. The modern shape combined with a beech wood frame, stained in oak or walnut finish, lends every room a pleasant and harmonious ambience. The model is comfortable and, thanks to its functional, ergonomic design, offers a wide range of applications in the Health & Care sector. A selection of various flame-retardant and easy-care Upholstery materials specially suited for the Health & Care sector is available for the upholstery, including Parotega, Paratexa, Marou, Addison and Sheldon.
