Consisting of a 60's element, a 120's element and an inner corner (70 x 70cm), the bench system Janina is versatile. The elements can be easily linked together. There is a freestanding version and a wall version with stretch fabric on the back; the backrest is available as a high or low version. The frame is available in dining table and bar table height in various decors. Janina is part of the fabric collection and therefore available in numerous color and fabric variations.
