

CHAIR RALERA

The chair Ralera recreates the flair of the 60's through details such as the A-shape of the rear-facing struts in interiors. Ralera is available in beechwood (merano brown, black) or in natural oak. The faux leather seat upholstery is part of the fabric collection and is therefore available in a wide range of fabric and color variants.

- 60s classic
- huge fabric selection
- Ergonomically shaped backrest
