The Janina bench system is highly versatile – consisting of a 60 element, 120 element and corner element (70x70cm). The elements can be easily linked together. It is available as a free-standing version as well as a wall-mounted version with stretch fabric on the rear; the backrest is available in high or low versions. The frame is available in dining table and high table height in various finishes. Janina is part of the fabric collection and is therefore available in numerous colour and fabric options.
