TABLETOP EASY SLIM

For a versatile table: our Easy Slim tabletop for both outdoor and indoor use. The CPL surface of Easy Slim withstands all weather conditions and, thanks to its wide range of designs, fits seamlessly into almost any gastronomy setting. Its easy-care surface makes this impact-resistant tabletop highly resistant to moisture penetration, making it ideal for outdoor use. Easy Slim is available in nine different decors, in square or round shape, and is the slimmer version of our classic Easy Classic.
