CORNER ELEMENT **SILVIA**

The Silvia bench system impresses with its clean lines and solid construction made of transparently lacquered oak wood. Three modules are available: a 120 cm wide element, an 80 cm wide element, and a corner element for connecting. The upholstered seat is available in all fabrics and synthetic leathers from our fabric collection. The backrest is made of solid wood and is complemented by a connecting element in either metallic lacquered or black powder-coated finish.
