Our Easy Gold outdoor tabletop with a genuine brass edge brings the charm of French bistros directly into your setting. The elegant tabletop combines stylish marble decors with a high-quality, impact-resistant brass edge that develops an individual patina over time, depending on the environment and usage. This gives each tabletop its own unique character. The weather-resistant laminate surface is easy to clean and ideally suited for outdoor use. It reliably protects the tabletop from penetrating moisture and impresses with its high durability in everyday use. Depending on the degree of patina, the brass edge can easily be polished again using commercially available metal polishing wool. Easy Gold is a must-have for lovers of premium materials and gains even more character with every use. Authentic, timeless, and full of personality, the tabletop adds elegant golden accents and can be combined with all table bases.

- Impact-resistant genuine brass edge for high durability in everyday use
- Weather-resistant tabletop, ideal for permanent outdoor use
- Authentic bistro look with genuine brass and stylish marble decors
