CHAIR RALINA

The RALINA chair combines the elegant charm of the 1960s with contemporary design and outstanding seating comfort. The distinctive A-shaped rear legs and characteristic backrest make it a striking feature in modern interiors. RALINA is available with either handcrafted open Vienna cane weaving or an ergonomically upholstered backrest. While the Vienna cane creates a light, elegant appearance, the upholstered back offers additional comfort and versatility, making it ideal for demanding hospitality, hotel, and contract projects. RALINA is available in elegant black beech or natural oak, with either a wooden seat or a comfortable upholstered seat. The premium seat upholstery with a high-quality foam core ensures lasting comfort and, like the upholstered backrest, can be customized using our extensive fabric collection. The wide range of options allows harmonious combinations with our bestselling RALERA chair, creating stylish and cohesive interior concepts.

• Two backrest options: Vienna cane for elegant lightness or upholstered backrest for maximum comfort
• Ergonomic seating comfort: Premium foam core and shaped backrest support a comfortable sitting posture
• Customizable: Wide selection of wood finishes, seat versions, and fabrics for flexible project planning
